## NBPD Monthly Update – May 2025

**NEW BERLIN POLICE CRIME STATISTICS:** In April of 2025, the New Berlin Police Department initiated or responded to **2261 calls for service**. The below graphs represent primary categories during this reporting period in which our patrol division allocated resources. The graphs (3-year comparisons) are categorized into four types of Calls for Service (CFS): Crimes Against Person, Property Crime, Alcohol & Drug Activity and Citizen Welfare Assessments.

## April Alcohol & Drug Activity

**WELL-BEING CHECKS:** The graph below captures the number of calls for service involving well-being assessments and two of the potential dispositions related to this type of call for service, a referral to the Aging & Disability Resource Center (ADRC) of Waukesha County and Protective Custody under WI Statute chapter 51. ADRC referrals are resources allocated for adults aged 60 and above, caregivers, adults with physical or developmental disabilities (to include dementia) and adults with mental health or substance use concerns. Chapter 51 protective placement is an “emergency detention” of patients in need of immediate care primarily due to self-harm or other destructive behavior.

## April Citizen Welfare Assessments

**REFERRALS FOR CRIMINAL PROSECUTION:** In April of 2025, the New Berlin PD referred 75 charges involving adult & Juvenile offenders to the Waukesha County District Attorney's Office for case review, reference misdemeanor or felony prosecution. Additionally, 28 criminal traffic citations were issued.

**REFERRALS FOR MUNICIPAL PROSECUTION:** In April of 2025, the New Berlin PD issued a total of 406 municipal citations for non-criminal prosecution in New Berlin Municipal Court. 363 citations were traffic related, 32 citations were non-traffic related & 11 citations were for impaired driving (Operating While Intoxicated, Operating w/ a Prohibited Alcohol Content or Operating w/ a Restricted Controlled Substance.)

**NATIONAL DRUG TAKE BACK DAY COLLECTION RESULTS (4/26/2025):** Since 2014, the NBPD and Froedtert & the Medical College of WI have partnered to host a biannual Drug Take Back event. The objective of a drug take back event is to provide the community with a safe manner in which to dispose of unused and expired medications, prior to them finding their way into the wrong hands. Saturday's drive-thru event brought out 335 vehicles and yielded approximately 523.6 pounds of unused and expired medications. Since partnering with Froedtert, we have hosted 21 events in which we have collected 13,293 pounds of medication. The medications are boxed and ultimately incinerated while the containers are sanitized of personal identifying information and recycled. Thank you to all the volunteers that made this event possible and the community that took advantage of the opportunity to safely dispose of their unwanted medications. Our next drug take back event is tentatively scheduled for October 25th, 2025, at the Froedtert-New Berlin Campus. For more information pertaining to opioid abuse or to locate a permanent drug take back location, please follow this link: <https://www.dhs.wisconsin.gov/opioids/index.htm>
